2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Santa Clara is a single school district, located in Ventura County midway between the cities of Fillmore and Santa Paula on Highway 126. The school is over one hundred years old. Affectionately known as the “Little Red Schoolhouse,” Santa Clara is both a historic landmark and a place for up-to-date education. Santa Clara Elementary is a single school district with fewer than 60 students. The staff is small: one teacher/principal/superintendent, two teachers, two part-time instructional aides, a part-time secretary, custodian, music instructor, art teacher, P.E. teacher, and other contracted services.

School staff is dedicated to providing the kindergarten through sixth grade students with a safe, respectful, and accepting atmosphere where every student can learn. Our balanced curriculum emphasizes basic skills and creativity. The Common Core State Standards direct instruction. We strive to provide all students with the tools and experience to achieve personal excellence in academic learning, critical thinking, self-expression, and citizenship. Student progress is carefully monitored and intervention is provided to individual students as needed.

Santa Clara Elementary School District uses CHAMPS schoolwide, and all staff have been trained in the approach. CHAMPS offers a proactive and positive approach to classroom management by teaching students the expectations for each lesson or activity. Staff focuses on a different character trait each month. Students exhibiting positive character traits are acknowledged at a monthly Student of the Month Assembly.

Mission Statement

Santa Clara Elementary strives to provide a challenging education that fulfills the child’s natural desire to learn. We offer a standards-based curriculum taught in multi-grade classrooms. Our school nurtures confident and creative individuals by making art, music and drama an essential part of the learning process. Santa Clara’s unique size lends itself to a family-like atmosphere. Collaborative efforts from teachers, parents, staff, and community members encourage students to ask questions, solve problems and make thoughtful decisions in every day life.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Santa Clara provides students with State-adopted textbooks. Instructional materials are purchased to support the curriculum. The curriculum is aligned with the State Frameworks and Standards. The Santa Clara School District receives funding for the purchase of textbooks that support the Standards. The school staff evaluates the State-approved textbooks available each year and determines which books would be the most appropriate for our students.

Accelerated Reader books were purchased through Perma-Bound for the Library.

All students in visual and performing arts classes (which include music history, general music, tone chimes, recorders, theater, painting, and drawing) have access to the appropriate textbooks and instructional materials. Every student, including English Learners, has access to their own textbooks and instructional materials to use in class and to take home.

School Facility Conditions and Planned Improvements

Santa Clara is located on a 1.7-acre site. The school contains one permanent classroom and two relocatable classrooms. The schoolhouse (the permanent classroom) is a historic structure classified by the Ventura County Historical Society as a Historic Landmark. The facilities are used to house a library, kitchen, computer areas, resource area, classrooms, and office area. The schoolhouse serves as a multipurpose room for students to gather, for parents to gather, for program performances, and, on occasion, as an eating area for students.

Procedures are in place regarding campus safety for fire, earthquake, active shooter, and emergency preparedness. Order and safety on campus are a high priority. The school secretary also serves as the yard supervisor for recess and lunch. The ratio of students to playground supervisors is no more than 28:1. The Santa Clara custodian cleans the rooms every day. He is conscientious and hardworking in maintaining a clean school. The school is regularly inspected for safety. School facilities are regularly maintained and repaired.

The roofs on the schoolhouse and portable classrooms were inspected and maintained in 2021.

The HVACs and lighting were replaced in December of 2017.

The asphalt was repaired and extended in the interior and exterior parking areas in August of 2020.

The exterior of the schoolhouse and portable classrooms was painted in June of 2019. The interior of the schoolhouse was painted in December of 2019.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents are encouraged to be partners in their children's education. Parents play a crucial role at Santa Clara through their active participation and involvement. There are two active, organized parent groups: the School Site Council (SSC) serves as an advisory council, and the Parent Teacher Organization (PTO) raises money and in many other ways supports Santa Clara Elementary and its students. Parents volunteer in classrooms, chaperone on field trips, attend Student of the Month Assemblies, and participate in other school activities and events. Communication is open and ongoing.

For more information on how to become involved, please contact Kari Skidmore, Principal, at 805.525.4573.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Santa Clara School acknowledges responsibility to create a learning environment that will allow students to achieve at grade level standards and beyond, develop self-discipline, take responsibility for their actions and learn to work cooperatively with others. To accomplish this, educators maintain high expectations for student behavior and communicate these through a Discipline Plan. The Plan is distributed to the students and parents annually in the Santa Clara Handbook. Severe misbehavior results in a referral to the principal. Suspension from school can be the result of extreme misbehavior. The Board of Education can expel a student for a serious offense. The regulations for suspension and expulsion are explained in the Handbook. The purpose of the discipline policy is to assist students in taking responsibility for their own behavior. School rules are clearly stated and discussed with the students. Rules, rewards, and consequences are enforced fairly and consistently. Except for minor infractions, teachers contact the parents when rules are broken. Classroom disruptions are minimal and student referrals to the principal are rare.

A variety of activities and programs provide Santa Clara students special recognition and fun participation throughout the course of the school year. The emphasis is on positive reinforcement of responsible behavior.

All staff must wear identification badges at all times. All visitors must sign in the school office and receive a volunteer/visitor badge. Volunteers/visitors to the school are asked by school staff to display badges at all times.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in January 2022.

Professional Development

Santa Clara School established kindergarten through sixth grade level standards which are aligned with the State Board of Education standards. Professional development activities were designed to train teachers to provide instruction that will enable students to meet the standards and implement the State educational program. There are three student-free staff development days added to the 180-day school calendar. The focus for the 2020-21 school year was on the Common Core State Standards, the Smarter Balanced Assessments, Technology and the Next Generation Science Standards (NGSS). In addition, teachers attended workshops offered by the county, professional organizations, and colleges and universities. One hundred percent of the teachers participated in staff development.

For the previous three school years, we had three days each year dedicated to staff and professional development.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
