School Description

Santa Clara is a single school district, located in Ventura County midway between the cities of Fillmore and Santa Paula on Highway 126. The school is over one hundred years old. Affectionately known as the "Little Red Schoolhouse," Santa Clara is both a historic landmark and a place for up-to-date education. Santa Clara Elementary is a single school district with fewer than 60 students. The staff is small: one teacher/principal/superintendent, two teachers, two part-time instructional aides, a part-time secretary, custodian, music instructor, art teacher, P.E. teacher, and other contracted services.

School staff is dedicated to providing the kindergarten through sixth grade students with a safe, respectful, and accepting atmosphere where every student can learn. Our balanced curriculum emphasizes basic skills and creativity. The Common Core State Standards direct instruction. We strive to provide all students with the tools and experience to achieve personal excellence in academic learning, critical thinking, self-expression, and citizenship. Student progress is carefully monitored and intervention is provided to individual students as needed.

Santa Clara Elementary School District uses CHAMPS schoolwide, and all staff have been trained in the approach. CHAMPS offers a proactive and positive approach to classroom management by teaching students the expectations for each lesson or activity. Staff focuses on a different character trait each month. Students exhibiting positive character traits are acknowledged at a monthly Student of the Month Assembly.

Mission Statement

Santa Clara Elementary strives to provide a challenging education that fulfills the child's natural desire to learn. We offer a standards-based curriculum taught in multi-grade classrooms. Our school nurtures confident and creative individuals by making art, music and drama an essential part of the learning process. Santa Clara's unique size lends itself to a family-like atmosphere. Collaborative efforts from teachers, parents, staff, and community members encourage students to ask questions, solve problems and make thoughtful decisions in every day life.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Santa Clara provides students with State-adopted textbooks. Instructional materials are purchased to support the curriculum. The curriculum is aligned with the State Frameworks and Standards. The Santa Clara School District receives funding for the purchase of textbooks that support the Standards. The school staff evaluates the State-approved textbooks available each year and determines which books would be the most appropriate for our students.

Accelerated Reader books were purchased through Perma-Bound for the Library.

All students in visual and performing arts classes (which include music history, general music, tone chimes, recorders, theater, painting, and drawing) have access to the appropriate textbooks and instructional materials. Every student, including English Learners, has access to their own textbooks and instructional materials to use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Santa Clara is located on a 1.7-acre site. The school contains one permanent classroom and two relocatable classrooms. The schoolhouse (the permanent classroom) is a historic structure classified by the Ventura County Historical Society as a Historic Landmark. The facilities are used to house a library, kitchen, computer areas, resource area, classrooms, and office area. The schoolhouse serves as a multipurpose room for students to gather, for parents to gather, for program performances, and, on occasion, as an eating area for students.

Procedures are in place regarding campus safety for fire, earthquake, active shooter, and emergency preparedness. Order and safety on campus are a high priority. The school secretary also serves as the yard supervisor for recess and lunch. The ratio of students to playground supervisors is no more than 28:1. The Santa Clara custodian cleans the rooms every other day. He is conscientious and hardworking in maintaining a clean school. The school is regularly inspected for safety. School facilities are regularly maintained and repaired.

The roofs on the schoolhouse and portable classrooms were inspected and maintained in 2017.

The HVACs and lighting were replaced in December of 2017.

The asphalt was repaired and extended in the interior and exterior parking areas in August of 2020.

The exterior of the schoolhouse and portable classrooms was painted in June of 2019. The interior of the schoolhouse was painted in December of 2019.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	67	N/A	67	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to be partners in their children's education. Parents play a crucial role at Santa Clara through their active participation and involvement. There are two active, organized parent groups: the School Site Council (SSC) serves as an advisory council, and the Parent Teacher Organization (PTO) raises money and in many other ways supports Santa Clara Elementary and its students. Parents volunteer in classrooms, chaperone on field trips, attend Student of the Month Assemblies, and participate in other school activities and events. Communication is open and ongoing.

For more information on how to become involved, please contact Kari Skidmore, Principal, at 805.525.4573.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Santa Clara School acknowledges responsibility to create a learning environment that will allow students to achieve at grade level standards and beyond, develop self-discipline, take responsibility for their actions and learn to work cooperatively with others. To accomplish this, educators maintain high expectations for student behavior and communicate these through a Discipline Plan. The Plan is distributed to the students and parents annually in the Santa Clara Handbook. Severe misbehavior results in a referral to the principal. Suspension from school can be the result of extreme misbehavior. The Board of Education can expel a student for a serious offense. The regulations for suspension and expulsion are explained in the Handbook. The purpose of the discipline policy is to assist students in taking responsibility for their own behavior. School rules are clearly stated and discussed with the students. Rules, rewards, and consequences are enforced fairly and consistently. Except for minor infractions, teachers contact the parents when rules are broken. Classroom disruptions are minimal and student referrals to the principal are rare.

A variety of activities and programs provide Santa Clara students special recognition and fun participation throughout the course of the school year. The emphasis is on positive reinforcement of responsible behavior.

All staff must wear identification badges at all times. All visitors must sign in the school office and receive a volunteer/visitor badge. Volunteers/visitors to the school are asked by school staff to display badges at all times.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in January 2021.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	0.0	0.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Santa Clara School established kindergarten through sixth grade level standards which are aligned with the State Board of Education standards. Professional development activities were designed to train teachers to provide instruction that will enable students to meet the standards and implement the State educational program. There are three student-free staff development days added to the 180-day school calendar. The focus for the 2020-21 school year was on the Common Core State Standards, the Smarter Balanced Assessments, Technology and the Next Generation Science Standards (NGSS). In addition, teachers attended workshops offered by the county, professional organizations, and colleges and universities. One hundred percent of the teachers participated in staff development.

For the previous three school years, we had three days each year dedicated to staff and professional development.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
